Parents of girls in grades 5-8- GIRLS FIELD HOCKEY!!!

We are pleased to offer some introductory classes to ***Girls Field Hockey*** on Monday April 22nd and April 29th from 5pm-6pm at the UPPER TURF FIELD at NV DEMAREST (next to the Tennis Courts on Knickerbocker Road)

These clinics are being offered by Coach Jennifer Eden at a cost of \$25.00 per each one hour session. Please register via the Closter Community pass system which can be accessed via the Closter rec website at

www.closterrec.com

Girls will need to wear sneakers, molded mouth guards, shin guards and water. Coach Eden will have sticks for the girls to borrow.

Coach Eden played field hockey at Passaic Valley High School. Coach Eden then went on to play for Montclair State University, which at the time did not have a nationally ranked field hockey program. At MSU, she played several positions for the team and was an integral part of a successful senior year in 2003. In 2003, MSU field hockey qualified for NCAA tournament for the first time in the program's history.

Coach Eden was awarded the student-athlete award by the NCAA, which recognizes student-athletes with a 3.5 GPA or higher.

Coach Eden graduated from MSU with her Master's in Education along with a Bachelor's in History and Sociology.

She has been coaching field hockey for 15 years, and most recently was the head coach of field hockey and lacrosse at Northern Valley Demarest before joining the staff at Northern Highlands.

She has been a significant part of the recent success of the Northern Highlands field hockey team, who were co-league champs in 2017 and in 2018 were county and league champions. Coach Eden is also an assistant field hockey coach at Ramapo College.

She is USA level 2 certified, Safe Sport Training certified as well as CPR & AED trained.

Coach Eden most recently opened Falcon Athletics with the goal of providing field hockey clinics, leagues, club teams, and equipment to the North Jersey area.

This is a great opportunity for our girls to try a new sport, which is offered at NV Demarest for Freshmen- Senior year. Please consider taking advantage of these wonderful clinics.
