# 2019 BASEBALL FEVER CAMP

## CAMP PHILOSOPHY

This camp is for players who love baseball as much as I do! Each morning, intensive individual and group instruction will be given in the fundamentals of baseball. Every aspect of the game will be covered from hitting and pitching to position play and baserunning. In the afternoon, the campers will organize in teams for game competition. The games will be structured to allow teaching to continue and to see the campers perform in game-like situations. I am proud to offer your child instruction from some of the finest coaches in the area. Their backgrounds vary from high school, college, and professional levels. I am looking forward to working with your child at Baseball Fever Camp, where your child will have FUN WHILE BECOMING A BETTER BASEBALL PLAYER.

Sincerely,  
Marc Houser  
Camp Director
