If your child decides not to play, you will receive a refund for the entire registration fee. **SO REGISTER EARLY!!!**

### COACHES

Coaches are needed for all levels of soccer- boys and girls. In order to coach or assist, parents must take a **one-time** (ONLINE) Rutgers Safety Class. PLEASE consider volunteering to help coach your child's team(s). Parents who take the online class will be reimbursed once they submit their Rutgers safety card. (This is one of the only good things to come from the pandemic - that this course can now be taken ONLINE!!!). Information and the link to upcoming Rutgers safety classes can be found on the Closter Rec Website. Only parents that sign up on the community pass system for "coaching" will be considered to coach a team. PLEASE do not send emails that you want to coach - please sign up on the Community Pass registration site.

Go to Closter Recreation website at [www.closterrec.com](http://www.closterrec.com) and follow the link to CommunityPass for online registration. If you already have a CommunityPass account from other organizations, you DO NOT need to create a new account to register for Closter Recreation's programs. Use the same username and password to login!
