

Skier Code of Conduct

We encourage all individuals to respect themselves, others, Mountain Creek, its facilities and their surroundings. We are committed to providing a safe environment where relationships are characterized by dignity, respect, and equal treatment. All children and parents are required to follow the guidelines below. Children in the Ski Club are expected to be sensitive and understanding of the needs, comforts, rights and safety of their peers, chaperones and others with whom they will be in contact. This club is a privilege and is not available in most neighboring towns. It is very important that we all work together to ensure a safe and happy environment. **Any behavior in violation of the following policies may be cause for immediate dismissal from Ski Club.** Disciplinary action will be at the discretion of the Closter Recreation Commission.

We urge you to carefully review and discuss each item with your child(ren). Upon registering you will need to confirm you and your child(ren) have read and understand the Closter Ski Club Code of Conduct
