

Release of Claims with Consent to Emergency Medical Treatment

I grant my minor child permission to participate in the town of Closter's full day Recreation Camp program. And grant permission for them to attend any of the trips that we have signed up and paid for prior to the camp season. This includes trips to the Demarest swim club, which are part of the program.

I understand that there are certain risks of injury inherent in the practice and play of certain games and sports, as well as in traveling and other related activities incidental to my minor child's participation, and I am willing to assume these risks known or unknown. I hereby certify that my minor child is healthy and has no physical or mental disabilities or infirmities that would restrict full participation, except as listed on this form*.

In addition to giving my full consent of my minor child's participation, I do hereby waive, release and hold harmless the organization named below, its officers, coaches, sponsors, supervisors and representatives for any injury that may be suffered by my minor child in the course of participation in the designated sport and the activities incidental thereto of being a member of the Summer Recreation Program.

To participate in the Closter Recreation program, the undersigned parent of the registrant acknowledges reading of and agreement with the Closter Recreation Athletic Code of Conduct and agrees to fully comply therewith in order to remain in the program.

I also hereby consent to emergency medical treatment if and when this is deemed necessary for my minor child.
