

Now available to Closter Recreation campers...

DSC SWIM LESSONS during your child's visit to the Demarest Swim Club

The DSC is offering swim lessons to Demarest Recreation campers. Group lessons are \$100 for 6 thirty-minute lessons during Demarest Recreation's days at the swim club. Class size is limited to 6 students per class. There will be two classes: Beginner and Advanced Beginner. Classes will be divided by age (as close as possible) and skill level. Our trained staff of certified life guards will assess your child's skill level and place them in the appropriate class. On your child's first visit to the swim club please send them to camp with the form below and a \$100 check made out to Demarest Swim Club. There is a late fee of \$25 for students registering after the first day. The manager holds the right to make changes, at any time. There are absolutely no refunds.

Do not contact Demarest Recreation with questions concerning swim lessons. Please call 201-768-8182 or email demarestswimclub@outlook.com.

For office use only:
